

RECYCLING & FUND RAISING!

05/07/2009 17:10 by kate_hudson

Friends of Trinity are keen to raise as much funds as possible for our children at Trinity Primary School.

In the last 12 months we have raised a staggering £16,000!!!!

But of course it doesn't stop there.

We have had a tremendous support from the parents, teachers, neighbours and well wishers and recycling is something we can all do to reduce waste and raise funds without costing us a penny!

What we recycle: Mobile phones Empty ink cartridges CD's - undamaged in their cases with the original artwork Games - undamaged in their cases with the original artwork DVD's - undamaged in their cases with the original artwork Foreign Currency - we will exchange the currency to share with FOT and OXFAM. Even obsolete currencies that have been replaced by the Euro. Used Stamps - will help the PDSA, this charity was picked by the Mini FOT'S Clothes for a Cause - Save you unwanted textiles for our next collection Milk bottle tops for charity And the school needs 2 litre soft drink plastic bottles to make a green house. Please bring in any of the above to the school reception or contact Shelby 01275 845432.

Many thanks for your kind and continued support!
