

Band Night with Mid Life Crisis

11/07/2009 00:34 by Andrea_Goude

Trinity raised the Roof to Mid Life Crisis Friday 11th September at the first ever FOT Live Band and Curry Night

Thank you to all who bought tickets and spent the night dancing and having a ball. It was a great way to come back to school after the summer break.

As you know FOT aim to host each event and try to raise funds, we raised £785 from this event!

We couldn't have put this event together without help and support from local businesses. Thank you to The Ghandi, High Street, Portishead for providing the Curry Buffet, to Ashton Court Mansion for providing all the catering equipment, Lime Tree Dental Practice for providing prizes and Waitrose for providing the glasswear. And to the stars of the show the Band.

To all the volunteers who helped at the this and all FOT events we couldn't do it without you, THANK YOU!
