Friends of Trinity collected any unwanted textiles on Tuesday 20th October

Clothes, curtains, bedding, shoes etc have been taken away, to be weighed, sorted and sent to Africa.

We gave 162 bags, which weighed 729 kilos and raised £291.60 beating the collection in March which raised £147.

This is an amazing cause: we can have a clear out recycling our unwanted textiles give them to people who really needed promote community spirit. AND raise money for FoT. **Thank you for supporting this cause and helping so many people!**
