

FoT Family Disco

12/01/2010 15:18 by andrea

The first FoT Family Disco was a success, 50 families enjoyed a dance, a drink, a limbo competition and the buffet. It was the first time some families had gone out all together, no need to find a babysitter for this event. Although there were some tired children at 9pm, hopefully everyone enjoyed a lye in on Saturday morning.

Special thanks to George the DJ and all the helpers on the door, bar, buffet and for cleaning up.

Although this was a community event we still did really well, raising £438 for equipment for the School.

'When's the next one?' was asked lots, we do need more help to run the events. The next disco for the children is Wednesday 21st July but it will be open to parents as well if they wish to come along.
